The information I am requesting is:

- Modifications that exercised the options or extends the contract past the dates indicated (excluding wage determinations)
- Estimated value of contract extensions
- Current Contracting Officer or POC, and their phone numbers

OR

If the contract has expired, and there is a **follow-on contract**, please send the following information for the current follow-on contract **only**:

- Cover sheet of Contract & Section A
- Section B (including estimated bottom line value of the contract and of the options)
- Section C and the Statement of Work (SOW)
- Sections D, E, F, G, H & I
- Modifications that exercised the options (excluding wage determinations)
- List of firms submitting proposals or the Abstract of Offerors

If there is not an extension or a follow-on contract, please briefly explain using one of the following:

- Requirement has merged with another contract, the number is _____
- Procurement currently in the market and the RFP number is _____
- Requirement is being performed "in house" or is no longer required

I understand that this information is available under the Freedom of Information Act and I agree to pay the processing charges of up to \$40.00 per contract. If the charges for any contract exceed this amount, please notify me before proceeding. If this is a duplication of a previous FOIA request, please call for clarification. I further agree to any justifiable deletion of proprietary information. When responding to this request, please reference **DASW01_E.doc**.

Thank you for your prompt attention to this request. If the information is releaseable and you want to fax or E-mail the documents, my fax number is [REDACTED], and my Internet E-mail address is [REDACTED]. Please provide the telephone and fax numbers in addition to Internet E-mail address for your office in your response. Call me at [REDACTED] if you have any questions.

Sincerely,
