Re: Freedom of Information Act Request

Dear Sir:

This is a request under the Freedom of Information Act, 5 U.S.C., Section 552.

I request that a copy of the following documents be provided to me:

Location: Joint Staff, Joint Secretariat: Documents Division, Records Management Section, The Pentagon, Washington, DC 20318-0400.

Collection: Records of the Chairman, Joint Chiefs of Staff

<u>RG</u>	<u>FY</u>	<u>Number</u>	<u>Vol</u>	<u>Box</u>	
218	89	0013	28	16	<u>LYMAN LEMNITZER</u> 1 OCT 60 - 30 SEP 62 File (B) 334 DIA <i>12W4 / 5 / 10-11 / A-D</i>
218	91	0019	47	22	<u>MAWELL TAYLOR</u> 1 OCT 62 - 3 JUL 64 File 334 (B) DIA <i>12W4 / 10 / 1-3 / A-F</i>
218	92	0015	216	85	<u>EARLE WHEELER</u> 3 JUL 64 - 2 JUL 70 File 334 DIA (TS) File 334 JSTPS <i>12W4 / 10 / 8-12 / E-F</i> <i>Bx 86</i>

The files and documents are cited in the compendium of the Records of the Chairman of the Joint Chiefs of Staff, on file at the National Archives in Washington.

In order to determine my status for fee assessment, please note that I am presently a doctoral candidate affiliated with the University of Edinburgh (UK). However, I am an American citizen. This request is made for scholarly purpose and not for commercial use: my interest in the aforementioned documents is purely academic; I am preparing scholarly writings on the Defense Intelligence Agency for academic journals. I will receive no monetary compensation for these efforts. The finished articles will be available to the general public and thus will contribute to

public understanding of the history and performance of the American military intelligence. Thus, I am requesting a full fee waiver. Since my research is certain to stir renewed interest in the DIA, succeeding researchers will desire to examine the documents to ensure veracity and accuracy. Hence, it is unfair for the initial requester to bear the full burden of discovery costs.

As you are well aware, although the law allows for the withholding of specified categories of exempted information, it requires the release of any "segregable" portions of the text which are left after the exempted material is deleted. I will require detailed justification for each such deletion in order to ensure accuracy in my research.

Finally, in the unlikely event that your initial response proves unsatisfactory, please provide me with the name and department of officials who are responsible for appeals.

Thank you for your time and consideration in this matter.

Sincerely,

Patrick Mescall
