Washington, D.C. 20520

Dear Mr. Secretary:

I received the enclosed letter from Representative Koch regarding a threat made against him by a Uruguayan official. He inquires whether the Government of Uruguay should be advised that it will be held responsible in the event of an assault upon him or his staff. This appears to be a matter within your jurisdiction, and I therefore refer it to you for your attention and for any action you deem appropriate.

Sincerely,

J. Edgar Hoover
