Washington, DC 20585

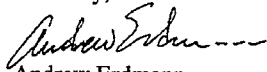

Dear Ms. Lopez:

I am writing to check on the status of my requests under the Freedom of Information Act (5 U.S.C. 522) for the declassification of a series of documents cited in the official history of the Atomic Energy Commission by Richard G. Hewlett and Jack M. Holl, *Atoms for Peace and War, 1953-1961: Eisenhower and the Atomic Energy Commission* (Berkeley, CA: University of California Press, 1989). These requests were originally submitted in September 1998. The Case Number for these requests is 9809240003.

I would appreciate it if you could inform me of approximately when the declassification review of these documents will be complete.

Thank you very much for your time and assistance.

Sincerely,

Andrew Erdmann
