Re: Freedom of Information Act Request

Dear Ms. Green:

Pursuant to the Freedom of Information Act (FOIA), as amended, 5 U.S.C. §§ 552, *et seq.*, and the Environmental Protection Agency's (EPA) rules issued thereunder, 40 C.F.R. Part 2, I request copies of any Notices of Arrival of Pesticides and Devices, or any other type of notification, submitted to EPA, since the beginning of 1997, notifying EPA that Roxide International, Inc. received dichlorvos (DDVP) shipments brought in through ports of entry in the United States. This letter has been forwarded to all EPA Region FOIA Officers.

If for any reason you determine that portions of the requested information are exempt from disclosure under FOIA, please delete the allegedly exempt material, inform me of the basis for the claimed exemption, and furnish me with copies of those portions of the document that you determine not to be exempt. My consent to such deletion at this time is designed to facilitate your prompt response and in no way waives my right to appeal any determination that you may make regarding the applicability of any FOIA exemptions to the requested documents and information.

I request that you provide me with accurate copies or a complete and accurate account of the information requested. I agree to pay reasonable search and reproduction costs; if these costs exceed \$150, however, I request that you notify me before reproducing the documents. I understand
