Dear Mr. Conn:

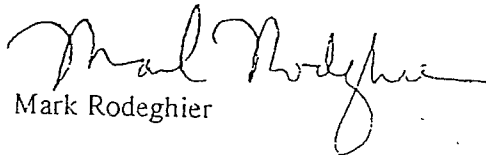

This letter concerns a FOIA request for documents currently held by the Archives.

I am interested in gaining access to the records you hold for the "Physical Security Equipment Agency." I have already spoken with someone from the Archives who told me that 19 boxes of records exist but are currently classified (this agency was under Air Force jurisdiction). I request that the records be declassified for my use; I intend to visit Washington to view the documents when they are available.

You may contact me in writing at the address on this letterhead or by phone at 312-631-6837 if you need further information from me. I assume you will inform me at the appropriate time when the records become available; if not, please let me know when I should inquire again about the status of the records.

Thank you very much for your assistance with this request.

Sincerely,

Mark Rodeghier
