**Subject:** Awarded Proposals

Dear Ms. Jensen.

This is Prof. Joon S. Park from Syracuse University, New York.  
I would like to request for the copies of the following NSF CAREER  
awarded proposals as the references for my proposal to the NSF program  
this year.

1. Access Control Policy Verification Through Security Analysis And  
Insider Threat Assessment (#0448204)
2. Towards Trustworthy and Resilient Sensor Networks (#0447761)
3. Architectural Support for Online Security Analysis (#0448654)

Could you kindly send me the copies of these proposals?

Sincerely,  
J. Park
