- 5. Does the 3 years required to acquire long range missiles mean only the first such missiles would be deployed or a large number would be deployed in order to fundamentally alter the strategic picture?
- 6. Confirm the Chinese DCM's identification: Counselor WANG CHIN CH'ING (STC 3769 5660 0615).
- 7. Is this the first time the Chinese DCM has spoken out on military matters?
- 8. In response, please refer to C-SR-2-56545, which is due to expire 5 July 1972.
