Subject: Re: DOJ FOIA officers' meeting

Pat: Hi! Mary Grady asked me if I wanted the email that I sent yesterday, describing the Ashcroft memo and other topics, to be added to the OGC E-library. I said yes, and she did it, with a link to the DOJ OIG FOIA Post. I think your email on your meeting with DOJ yesterday, with the two attached WordPerfect documents, would also be a good addition to the OGC E-library. Either you can do it, or Mary can help you. Thanks.

Bob
