

Student Research Awards

Grants for Students Research from Sigma Xi, The Scientific Research Society

Cash awards from \$200-\$500 will be offered by the GWU Chapter of Sigma Xi to GWU undergraduate and graduate students to aid in their research. Selected proposals will be awarded at our Annual Banquet on May 8th, 2008.* Interested students can apply by submitting:

1. A one page summary of research including the project title and the proposed use of award.
2. A brief biographical sketch and resume
3. A letter of endorsement from a Sigma Xi member or from the student's research advisor.

Winners will be announced via e-mail on or about Friday, May 2, 2008. Previous winners are eligible. Proposals to purchase routine supplies or materials that are typically provided by departmental or grant funds are discouraged.

DEADLINE: 5:00 pm April 30, 2008 (FIRM!)

SEND All Materials to:

Prof. Christopher L. Cahill
President, GWU Chapter of Sigma Xi
Chemistry Department
The George Washington University
725 21st Street, N.W.
Washington, D.C. 20052
Or electronically to cahill@gwu.edu

*This dinner will be at the prestigious Washington Club in DuPont Circle. **Attendance by the recipients is highly desirable** and student prices are subsidized to maximize participation. Details on the dinner, which is open to ALL SIGMA XI MEMBERS and their guests, can be found at www.gwu.edu/~cahill This year's awards are funded entirely by member contributions.
