Intelligent Design: An Attack on Evolution

Richard Katskee

Assistant Legal Director for Americans United for Separation of Church and State

Mr. Katskee was one of the principal attorneys for the plaintiffs in *Kitzmiller v. Dover Area School District*, No. 04-CV- 2688 (M.D. Pa.), the case successfully challenging a Pennsylvania school district's inclusion of intelligent-design creationism in its ninth-grade biology curriculum. He provides a compelling and captivating account of the issues leading up to and during the trial.

Thursday, May 8, 2008

6:30 PM Reception (cash bar)
The Washington Club*
15 DuPont Circle
Washington, DC 20036

7:15 PM Grants in Aid of Research Award Banquet

8:00 PM Mr. Katskee's Lecture

Please join us to recognize this year's recipients of the prestigious Grants in Aid of Research as well as to hear a provocative lecture by an expert in the science vs. creationism debate.

Please make reservations no later than **May 2, 2008**

The banquet is \$35 per person (\$15 for students). Dinner will be three courses (salad, entrée, dessert and *include wine*).

Payment address:
Dr. Christopher L. Cahill,
GWU-Department of Chemistry
