Executive Communication Intensive Workshop

This workshop is designed for senior managers and senior executives for whom a sophisticated level of communication skill is essential to leadership effectiveness. During this intensive three-day workshop, participants will work on increasing their effectiveness in written and oral communication by engaging all seven “intelligences” of the receiver.

Dates	Format	Cost
March 24-26	3-day residential	\$3,022.50
Sept 15-17	3-day residential	\$3,022.50

Advanced Leadership Workshop

This workshop is geared to individuals at the GS-13 level or higher who have previously participated in a leadership development experience such as the Senior Executive Development Program. Designed to develop your individual leadership capabilities, the workshop’s personalized sessions invite you to re-evaluate your current understanding of leadership theory and practice in a safe environment where you may identify, strengthen, and improve your leadership competencies.

Dates	Format	Cost
May 20-22	3-day residential	\$3,224.00
Oct 20-22	3-day residential	\$3,224.00
