

RESOURCES FOR CHILDREN'S ENVIRONMENTAL HEALTH

FEDERAL AGENCIES

Name	Category	Description	Location and Contact
Agency for Toxic Substances and Disease Registry (ATSDR) USDHHS 1600 Clifton Rd, NE; Mail Stop E-28 Atlanta, GA 30333	Toxicology	Serves the public by using the best science, taking responsive public health actions, and providing trusted health information to prevent harmful exposures and disease related to toxic substances	http://www.atsdr.cdc.gov/ Information Center Clearinghouse: 404/639-6360 Fax: 404/639-0744 Emergency Response Branch: 404/639-0615 Hazardous Waste Sites Hotline: 800/424-9346 Methyl Parathion Hotline: 601/762-1202 Toxicological Profiles: 800/858-7378
ATSDR Child Health Initiative		Provides summaries of ATSDR child health programs, such as the Pediatric Environmental Health Specialty Units (PEHSUs), as well as links to Toxicology Profiles and Public Health Assessments	http://www.atsdr.cdc.gov/child/
ATSDR GATHER (Geographic Analysis Tool for Health and Environmental Research)	Geographic Information/Mapping	GATHER (Geographic Analysis Tool for Health and Environmental Research) is a spatial data access tool that provides access to spatial data that is pertinent to the analysis and exploration of public health issues.	http://gis.cdc.gov/atsdr
ATSDR Toxicological Profiles		Detailed information on individual hazardous chemicals. All profiles include a section on children.	http://www.atsdr.cdc.gov/toxpro2.html

Name	Category	Description	Location and Contact
Centers for Disease Control & Prevention (CDC)			
National Center for Environmental Health (NCEH) 4770 Buford Hwy., NE; Mail Stop F-28 Atlanta, GA 30341-3724	Environmental Health	Provides national leadership, through science and service, to promote health and quality of life by preventing or controlling those diseases, birth defects, disabilities, or deaths that result from interactions between people and their environment.	http://www.cdc.gov/nceh/ NCEH Health Line 1-888-232-6789 ncehinfo@cdc.gov
NCEH Asthma Program	Asthma		http://www.cdc.gov/nceh/airpollution/asthma
NCEH Lead Poisoning Prevention Program	Lead poisoning		http://www.cdc.gov/nceh/lead/lead.htm
NCEH Human Exposure Report		Reports on the concentrations of chemicals measured in human bodies.	http://www.cdc.gov/nceh/dls/report/
State Health Department Search (CDC)	Patient handouts	Searches for materials produced by state health departments. Good source of patient handout materials	http://www.cdc.gov/search2.htm
CDC Bioterrorism Information		Information on bioterrorism primarily for the clinician, but also the general public.	www.bt.cdc.gov Emergency Number 770-488-1700 Emergency Chemical & Biological Hotline 770-424-8802 Public Inquiry Number 404-639-3534; 800-311-3435
CDC Information on Hoaxes & Rumors			http://www.cdc.gov/hoax_rumors.htm
National Institute for Occupational Safety and Health (NIOSH)	Occupational Safety	Adolescent work place safety issues. Includes farm worker issues	1-800-35-NIOSH (1-800-356-4674) http://www.cdc.gov/niosh/homepage.html eidtechinfo@cdc.gov

Name	Category	Description	Location and Contact
Consumer Product Safety Commission (CPSC) 4340 East West Hwy. Bethesda, MD 20814	Safety	Information about hazardous products and recalled products. Not a source of information on chemicals or pesticides. See EPA or ATSDR.	http://www.cpsc.gov 800/638-2772; Fax: 301/504-0124
US Environmental Protection Agency (EPA) 1200 Pennsylvania Avenue, NW, Washington, DC, 20460			http://www.epa.gov Administrative: 202/260-2090
EPA Office of Children's Health Protection		The focus within EPA for all issues related to children's health	Office of Child Health Protection: 202/260-7778 http://www.epa.gov/children
EPA's Office of Pesticide Programs		EPA licenses or registers pesticides for use in strict accordance with label directions, based on review of scientific studies on the pesticide to determine that it will not pose unreasonable risks to human health or the environment. For pesticides used on food, EPA sets limits on how much of a pesticide residue may remain in or on foods. EPA also sets standards to protect workers who may be exposed to pesticides on the job.	Office of Pesticide Programs: 703/305-5017 National Pesticides Hotline: 800/535-PEST http://www.epa.gov/pesticides

NON-GOVERNMENTAL ORGANIZATIONS

Name	Category	Description	Location and Contact
Alliance to End Childhood Lead Poisoning 227 Massachusetts Ave, NE, Suite 200 Washington, DC 20002	Lead (policy)	Provides an overview of lead poisoning, policy solutions, and recommendations for legal remedies. Many links to find contractors to do safe abatement work, to find labs and other information.	http://www.aeclp.org E-mail: aeclp@aeclp.org 202/543-1147; Fax: 202/543-4466
Ambulatory Pediatric Association 6728 Old McLean Village Drive McLean, Virginia 22101	Environmental health fellowship	Sponsors environmental health fellowship for pediatricians	http://www.ambpeds.org/ Phone: (703) 556-9222 Fax: (703) 556-8729 E-mail: info@ambpeds.org
American Academy of Pediatrics, Committee on Environmental Health	Child Health	Formulates environmental health policy evaluations for the American Academy of Pediatrics	www.aap.org/visit/cmte16.htm
AAP Bioterrorism Information			http://www.aap.org/advocacy/releases/cad.htm
American Association of Poison Control Centers 3201 New Mexico Ave, NW, Suite 310 Washington, DC 20016	Toxicology		http://www.aapcc.org 202/362-7217
American Cancer Society 1599 Clifton Rd, NE Atlanta, GA 30329	Cancer (info resource)	Nationwide, community-based voluntary health organization with information about cancer and risk factors	http://www.cancer.org 404/320-3333 or 800/ACS-2345; Fax: 404/329-7530
American Lung Association 432 Park Ave S, 8th Floor New York, NY 10016	Respiratory	Information for patients and providers about asthma, other lung diseases, indoor and outdoor air pollution, environmental tobacco smoke and other issues.	http://www.lungusa.org 800/LUNG-USA

Name	Category	Description	Location and Contact
American Public Health Association 800 I St, NW Washington, DC 20001	General	APHA promotes the scientific and professional foundation of public health practice and policy, advocates the conditions for a healthy global society, emphasizes prevention and enhances the ability of members to promote and protect environmental and community health.	202/777-2742 www.apha.org
Association of Occupational and Environmental Clinics (AOEC)	Clinical/ Medical Information	Committed to improving the practice of occupational and environmental health through information sharing and collaborative research.	http://www.aoec.org
Association of State and Territorial Health Officials (ASTHO)	Environmental Health	Represents the state and territorial public health agencies of the United States, the U.S. Territories, and the District of Columbia.	http://www.astho.org/environmental/index.htm
Asthma and Allergy Foundation of America 1125 15th St., NW, Suite 502 Washington, DC 20005	Respiratory	Information for patients and providers about asthma and allergies	http://www.aafa.org 202/466-7643; Fax: 202/466-8940
Beyond Pesticides 701 E Street SE #200, Washington DC 20003	Pesticide use	A national network committed to pesticide safety and the adoption of alternative pest management strategies that reduce or eliminate a dependency on toxic chemicals.	http://www.beyondpesticides.org/main.html phone 202-543-5450 • fax 202-543-4791 • info@beyondpesticides.org
California Electric and Magnetic Fields (EMF) Program 1515 Clay Street, Suite 1700 Oakland, CA 94612	Electromagnetic fields		http://www.dhs.ca.gov/ehib/emf/

Name	Category	Description	Location and Contact
Canadian Association of Physicians for the Environment 208-145 Spruce Street Ottawa ON K1R 6P1 Canada	Children's Environmental Health Project	Provides physicians with access to information about the effects of the environment on children's health. Links to specific Canadian resources.	Phone: 613-235-2273 Fax: 613-233-9028 E-mail: info@cape.ca Web site: www.cape.ca/children.html
Canadian Institute for Child Health Suite 300 384 Bank Street Ottawa, ON K2P 1Y4 Canada		Information specifically about children's environmental health issues in Canada	Tel. 613-230-8838 Fax 613-230-6654 Email: cich@cich.ca http://www.cich.ca/Environment.htm
Center for Health, Environment and Justice (CHEJ) P.O. Box 6806, Falls Church, Virginia 22040	Environmental Health/ Justice/ Policy	Focus on environmental justice, through community organizing and empowerment.	http://www.chej.org/ 703-237-2249 e-mail: chej@chej.org
Child Proofing Our Communities Campaign	Schools	Concerned about school siting, use of chemicals in schools	www.childproofing.org childproofing@chej.org Phone: 703-237-2249 ext. 21 Fax: 703-237-8389
Children's Environmental Health Network 110 Maryland Avenue NE, Suite 511 Washington, DC 20002	Child Health/ Policy	National multi-disciplinary network to promote a healthy environment and protect the fetus and the child from environmental hazards through a focus on three areas: education of health professionals, research, and federal policy.	http://www.cehn.org E-mail: cehn@cehn.org Phone: (202) 543-4033 Fax: (202) 543-8797
Children's Health Environmental Coalition P.O. Box 1540 Princeton, NJ 08542	Parent information	Provides information to parents about the preventable childhood health and developmental problems caused by exposure to toxic substances found in homes, schools and communities.	http://www.cheenet.org

Name	Category	Description	Location and Contact
Columbia University Mailman School of Public Health, Center for Children's Environmental Health	Child Health/ Research	A Center for Children's Environmental Health and Disease Prevention Research. Its research mission is to prevent environmentally related disease in children, including asthma, cancer, and developmental disorders.	http://cpmcnet.columbia.edu/dept/sph/ccc/eh
Commission for Environmental Cooperation (CEC) 393, rue St-Jacques Ouest Bureau 200 Montréal (Québec) H2Y 1N9 Canada	International Children's Health	An international organization created by Canada, Mexico and the United States under the North American Agreement on Environmental Cooperation to address regional environmental concerns, help prevent potential trade and environmental conflicts, and to promote the effective enforcement of environmental law. They have a project on Children's Health and the Environment	http://www.cec.org/programs_projects/pollutants_health/342/index.cfm?varlan=english Tel: (514) 350-4300 Fax: (514) 350-4314 info@ccemtl.org
EMR Network P.O. Box 393 Concord, MA 01742	Electromagnetic fields	To enhance local, regional, national and international efforts to reduce, mitigate, and where possible, eliminate hazardous exposure to EMR.	http://www.emrnetwork.org/index.htm 802-426-3035 E-mail info@emrnetwork.org
Environmental Defense 257 Park Ave S New York, NY 10010	Environmental Health/ Policy/ Mapping	National non-profit advocacy organization .	http://www.environmentaldefense.org 212/505-2100; Fax: 212/505-2375
Scorecard		Using authoritative scientific and government data, Scorecard provides information about local environmental information. Ranks and compares the pollution levels in areas across the U.S. Also profiles 6,800 chemicals, making it easy to find out where they are used and how hazardous they are.	http://scorecard.org

Name	Category	Description	Location and Contact
Environmental Justice Resource Center 223 James P. Brawley Dr, SW Atlanta, GA 30314	Environmental Justice	A research, policy, and information clearinghouse on issues related to environmental justice, race and the environment, civil rights, facility siting, land use planning, brownfields, transportation equity, suburban sprawl, and Smart Growth. The center assists, supports, trains, and educates people of color students, professionals, and grassroots community leaders.	http://www.ejrc.cau.edu 404/880-6911; Fax: 404/880-6909
Environmental Working Group 1718 Connecticut Ave., N.W., Suite 600 Washington, DC 20009		A not-for-profit environmental research organization dedicated to improving public health and protecting the environment by reducing pollution in air, water and food.	http://www.ewg.org/
Foodnews		Several food/pesticide related data bases combined by EWG	http://www.foodnews.org/
EXTOXNET InfoBase	Pesticides	A source of objective, science-based information about pesticides - written for the non-expert.	http://ace.ace.orst.edu/info/extoxnet/
Farm*A*Syst 303 Hiram Smith Hall 1545 Observatory Drive Madison, WI 53706-1289	Farm information	Farm*A*Syst is a partnership between government agencies and private business that enables individuals to prevent pollution on farms, ranches, and in homes using confidential environmental assessments. Although this site is maintained by the University of Wisconsin, it has links to all related programs throughout the US and Canada.	http://www.uwex.edu/farmasyst/ Phone: 608-262-0024 E-mail: farmasys@uwex.edu
