Attn: Ms. Sheree M. Coon (FOIA Manager)

REF: FOIA Control Number 02-446LK Follow-on Request

This confirms receipt of your 30 August 2002 letter same subject.

I am willing to pay all reasonable and normal fees up to \$1,500.00 to support this request for documentation.

Since the initial search and review will have been completed based on the above cited FOIA this request for information should require minimum additional search and review time, as it will be conducted solely on that information to be provided

For clarification only those documents which contain my name in the text of the document or e-mail or in which my official title (Administrative Officer AFMC Law Office) is cited and which are or will be provided in response to FOIA 02-446LK are covered by this request. The number of documents should be relatively small.

Thank you for your assistance in this matter.
