

Leslie:

Yes, we would like to have copies or (or access to) the proposals for the projects identified on each of the three websites you listed:

[https://www.ehr.nsf.gov/msp/include/fypgmlist.asp?pgmele=1791;](https://www.ehr.nsf.gov/msp/include/fypgmlist.asp?pgmele=1791)
[https://www.ehr.nsf.gov/msp/include/fypgmlist.asp?pgmele=1792;](https://www.ehr.nsf.gov/msp/include/fypgmlist.asp?pgmele=1792)
<https://www.ehr.nsf.gov/msp/include/fypgmlist.asp?pgmele=1793>

Please let me know what the next steps are.

Thanks,
Kathy

Dr. Stiles: No apology necessary. Would you mind making a separate request?

Also, I have copied the awards from the web site, are these the proposals that you wish to receive?

Leslie:

I sincerely apologize for not responding to this email within the requested 5 days. I have been traveling and then [b4] and am just now catching up on my emails.

Yes, you have my permission to release the proposal.

And, we would also like to obtain copies of all MSP proposals that were accepted, including targeted, comprehensive, and all projects that were accepted in response to the "Dear Colleague" letter. Does this email constitute a "formal" request, or do I need to send you an email indicating each proposal that we would like to receive?

Thanks for any information you can provide, and I apologize again for the delay in responding to you.

Kathy
