03-097E

> One of our consultants is interested in obtaining a report/publication of
> a study that was carried out with funding from the NSF. Details of the
> report, entitled "International Comparisons of Innovation Indicator
> Development," NSF Award Abstract #8515006, are found in the enclosed file.

> <<Digital_1.pdf>>

> Our consultant is interested in this report for informational purposes
> only. and I am directing my inquiry to you as your name was given as the
> appropriate contact for information when I called the National Science
> Foundation. I look forward to hearing from you. Thank you for your help.
