[REDACTED] the Mexican government forces have still not captured guerilla leader Lucio CABANAS. [REDACTED] confirmed that the district commander, [REDACTED] had resigned and agreed with the thesis that he probably resigned because of the Minister of Defense, who has taken personal command of the government forces. [REDACTED] is not optimistic about the government's chances of success. He said the terrain is very difficult and there are only about 25 guerillas to capture, so the mission is very difficult.

THIS IIR SHOULD NOT RECEIVE FOREIGN DISSEMINATION SINCE SUCH DISSEMINATION COULD LEAD TO THE COMPROMISE OF THE COLLECTION ACTIVITY INVOLVED.
