RE: 2005-193

Dear Ms. Lanctot,

Thank you for getting back to me on this request. Providing the information you indicated, as done in the past would be fine. AMC FOIA #, Requester, Date of Request, Requested Information –

The only additional piece of information I would request, if it is possible for you to provide, is notification of whether the request was directly sent to you or if it was a referral to your office from another office, and if so where was it referred from. If this is burdensome to indicate, then please do not worry about it, the information you indicated is the only necessary information we request.

Thank you again for all your efforts,
