Sandy/Pat,

Recvd your FOIA request on N00421-97-C-1336, Lockheed Contract. The follow on contract was awarded 29 Dec 2004. The ktr's letter requesting FOIA is dated 9-8-2004. Are you sure this information is still needed? Before i have an employee spend several hours copying these documents?

If the ktr (INPUT) was requesting this information in anticipation of bidding on the follow on contract, that is overcome by events.

Appreciate your checking.

Thank you,
