CC CPSU to Cde. N. S. Khrushchev

I just now received your No. 2536/Π about U. Thant's new proposal. I consider it to be of great interest and that it could become the way out of the present situation.

I will use all my power to win over the Cubans and attain their agreement.

11/18/1962 A. Mikoyan

Reference: No. 2536/Π – 2539/Π (Ref. No 31500) from 11/18/1962

Cde. N. S. Khrushchev sends the text of cde. Kuznetsov's telegram with U. Thant's new proposal relating to the creation of UN observation groups, he asks to inform him of our Cuban friends' reaction to U. Thant's new proposal.
