CC CPSU

According to the communication from the Soviet Ambassador in Addis-Ababa, and also according to the information from the Cuban friends, facts are taking place which bear witness to manifestations of nationalistic moods among certain parts of the Ethiopian leadership following the victory over Somalia in the Ogaden, which already is beginning to exert a negative influence on Ethiopia's relations with several countries of the Socialist community (spec. No. 695 of 6\30\78). From the Ethiopian side, in particular, a certain dissatisfaction is being expressed regarding the progress of cooperation with these countries above all in the economic area, complaints connected with the development of trade-economic relations, not always grounded in fact, are being put forth. This type of mood in one way or another shows up in the approach of the Ethiopian leadership to a resolution of the Eritrean issue.

The MFA USSR, the CC CPSU International Department, and the KGB USSR consider it expedient to implement a range of steps from our side in order to neutralize these types of moods in the Ethiopian leadership. It would make sense to assign the Soviet ambassador in Addis-Ababa to have a conversation with the chairman of the [VVAS], during which in an open and friendly way opinions would be exchanged about the future development of Soviet-Ethiopian relations, stressing the immutability of the policy of the Soviet Union of mult-sided support and assistance to the Ethiopian revolution.

Taking into account the conversation with Mengistu it would be possible to review the issue of conducting a comradely exchange of opinions with the leadership of Cuba and the GDR about the current situation in Ethiopia.

Assign the corresponding Soviet agencies to carefully review the requests of the Ethiopian side vis-a-vis economic issues, and to submit proposals aimed at improving Soviet-Ethiopian economic cooperation.

Please review.
