- 1). Agreed to exchange visits -
- 2). Exchange correspondence & continue to keep each other informed.
- 3). Will build on exchange of ideas as we move to Salt III -

~~4).~~

Pres. Brezhnev

- 1). Salt II - will create a more favorable climate in solving other problems - also applies to contacts and bilateral ties.
- 2). Importance of contacts - helps bring our people closer together - has been seen ~~is~~ perhaps the most stable of the relations tied up.
- 3). Exchanges at political level should be encouraged in the future -
Raises question of obstacles re labor exchanges -
- 4). Major problem of normalization of trade betw. our 2 countries -

Trade has been turned into a subject of linkages = Can not recognize trade with emigration.

Trade swiftly increased in 1972 - now it is in a state of stagnation.

- 5). Noted ~~at~~ U.S. is making a study
a) normalizing - USSR can't make any
suggestions - There are a no. of political,
legal & moral principles that USSR can not
waive.
- 6). Complete elimination of discrimination would
make possible a long term program of
coopⁿ in trade etc. Next with Germany,
France ~~is~~ & Japan.
- 7). Artificial obstacles are being erected
in maritime and ^{civil} air. Threats to
suspend civil air ties -
- 8). Scientific & technological ties going quite
well
- 9). Political links in scientific field -
lowering level of delegations - Cancelling
visits.
