21st Century Community Learning Center
Afterschool Program

Communities In Schools of the Nation's Capital (CISNCAP) is a nonprofit organization dedicated to working in partnership with the DC Public Schools to improve student academic, social, emotional and behavioral outcomes. In order to accomplish this goal, CISNCAP links existing education and social service support resources to DC Public Schools to help students successfully learn, stay in school and prepare for life.

With support from the District of Columbia Office of the State Superintendent of Education and the 21st Century Community Learning Center Program (CCLC), we are able to bring academic, recreational, cultural and mentoring partners to the afterschool program at Ferebee-Hope Community School Complex. Here are a few partners that have worked with our afterschool program to date: Capital Area Food Bank, Young Playwrights Theater, Dance Institute of Washington, DC Youth Orchestra Program, Live It Learn It, Imagination Stage Theater, District of Columbia Department of Parks and Recreation and U.S. Dream Academy.
