RE: Indirect cost recovery rates

---

The University has recently concluded its negotiations with the Federal Government regarding its indirect cost recovery rates and these have been set for fiscal years 2008, 2009, 2010 and 2011.

The on-campus rates for non-medical awards are 51.5% for all referenced years.

The on-campus rates for medical center awards are 55% for fy08, 55.5% for fy09, and 56.5% for fy10 and fy11.

Off-campus rates, including those for the Bio-statistics Center, will continue at 26% for non-medical and medical awards

Please begin using these new rates on all proposals submitted as of April 23, 2007.

Hal Gollos, Managing Director (OCRO), will review pending proposals and will contact investigators if alterations in proposed rates are possible. Information regarding rates on current awards will be conveyed in a later communication.
