### **Educational Achievements**

Founded and developed the Department of Health Policy, a unique Department among U.S. Schools of Public Health. The Department focuses both health services and public health policy and houses health policy studies for the University. In its first year of existence, the Department was ranked 6<sup>th</sup> in the U.S. by U.S. News and World Report

Established and developed Hirsh Health Law and Policy Program, which achieved national ranking status within its first 5 years of operation

Oversaw the development of the Curriculum in Health Law and Health Policy, consisting of 6 “core” courses and approximately 30 elective courses across the fields of health law and policy.

Established the standards and procedures for the appointment, promotion and tenure of faculty in the Department

Designed, developed and have taught for 12 years the curriculum in Health Services and the Law for the GW School of Law

Designed and developed the curriculum in Law and Medicine for the GW School of Law and bioethics in the School of Public Health and Health Services

Designed and taught health policy and the federal budget process, Georgetown University Law Center, 1989-1991

#### Courses taught (GW)

- Health Services Law (410), GW School of Law from 1994- present (extended from 3 to 4 credits in 2001)
- Life Death and Human Subjects (2003 – present)
- Law and Medicine (617) GW School of Law 1996 – 2000
- Health Services Law (HSMP 215) 1999 – present
- Health and Society (Pub. H. 280) (1997-1999)
- Health Policy Analysis (HSMP 225) 1999 – present
- Applications of Health Policy (HSMP 226) 1999-2001
- Uninsured and Underserved (Pub H 290) 1997-1998
- Maternal and Child Health Policy (Pub H 290) 2001

Consistently ranked at 4.8 or higher out of a possible 5.0 by students in both Schools.

#### Courses taught (other institutions)

- The federal budget process and U.S. Health Policy Georgetown University Law Center (1989-1991)

- Introduction to Health Policy Analysis (The Johns Hopkins University School of Public Health, 1988-1991)

## **Consultancies**

### *Legal Expert*

*Rosie D. v Romney* (D. Mass., 2004)

*John B. v Goetz* (M.D. Tenn., 2000-2002)

*Hernandez v Medows* (S.D. Fl., 2002-2003)

Expert for the Court in *John B v Goetz* (United States District Court, Middle District of Tennessee, 2003-present)

### *Other Expert Activities and Consultancies*

Consultation to virtually all state Medicaid programs and/or public health agencies over the past 20 years in matters related to the administration of Medicaid and public health programs

Consultation to the National Association of Community Health Centers, 1984- present

Consultation to the Institute of Medicine from 1992 to the present on the following topics: child health; medical malpractice; civil rights and health disparities; health care for the underserved, Medicaid and Medicare; graduate health education reform; regulation of employee health benefit plans; and the health care safety net

Consultation 1978 and the present to virtually all Congressional Committees addressing health law and health policy matters in the areas of Medicare, Medicaid, employee health benefits, regulation of the insurance and health care industries, maternal and child health, health care for medically underserved populations, and civil rights law

Consultation to foundations and voluntary organizations on all aspects of health law and policy. Selected consultancies: March of Dimes, the American Hospital Association, the American Academy of Pediatrics, the American Association of Health Plans, the Henry J. Kaiser Family Foundation, the Commonwealth Fund, the Robert Wood Johnson Foundation, the Kellogg Foundation, the W.T. Grant Foundation, the Nathan Cummings Foundation, and a range of community foundations.

## **Grants Awarded or Pending**

- Since 1992, generated in excess of \$25 million in extramural research and have assisted faculty of the Department raise millions in additional funding. Major

current and former funders are as follows: HHS (SAMHSA, CDC, HRSA, and CMS); the Robert Wood Johnson Foundation; the Henry J. Kaiser Family Foundation; and the Commonwealth Fund; the David and Lucile Packard Foundation.

- My personal specialty fields of research are as follows:
  - managed care and managed care contracting practices in both public insurance and employer-sponsored health plans;
  - Medicare and Medicaid
  - civil rights and health care systems;
  - maternal and child health policy;
  - the impact of the evolution in laws governing public and private health insurance on health care access among low income, minority, and medically underserved populations;
  - the evolution of laws regulating the health care industry and their impact on access and quality;
  - the health care safety net

### **Selected L.L.M. and PhD Dissertations**

Michael Jackson, L.L.M. Dissertation on Medicare Preemption (published in *Annals of Health Law*, 2003)

Barbara Zeliff, L.L.M. Dissertation on the TriCare Manage Care System (2004)

William Hess, L.L.M. Dissertation on Human Subject Protections for Members of the Military (1998)

Taylor Burke, L.L.M. Dissertation on *Olmstead v L.C. and Community Integration*

Joel Teitelbaum, L.L.M. Dissertation on *Blue Cross et. al. v Marshfield Clinic* (1997)

Alex Hecht, L.L.M. Dissertation on the Data Quality Act of 2000 (publication forthcoming, *Notre Dame L.Rev.*)

Dee Dodson Morris, L.L.M. Dissertation on the War Risk Exclusion in Health Insurance  
Chair, Dissertation Committee for Dylan Roby, Ph.D cand.

## **Publications**
