November 11, 1965

Dear Mr. Prime Minister:

Your letter of August 5, 1965 refers to NATO planning involving storage of United States nuclear weapons in the United Kingdom for possible use by Netherlands ASW forces.

You state your willingness to cooperate in carrying out this plan and so to inform SACLANT, on the assumption that the nuclear weapons intended for use by Netherlands ASW forces would not be released for use in advance of the joint decision on release for use to United States and British forces of United States ASW nuclear weapons also stored in the United Kingdom under the same NATO plan. I confirm that this assumption is correct.

Sincerely,

The Right Honorable
Harold Wilson
Prime Minister
London
