Re CAS Saigon 0265 reporting General Don's views, Saigon  
320, and Saigon 316, and Saigon 329.

It is now clear that whether military proposed martial  
law or whether Nhu tricked them into it, Nhu took advantage of  
its imposition to smash pagodas with police and Tung's Special  
Forces loyal to him, thus placing onus on military in eyes of  
world and Vietnamese people. Also clear that Nhu has maneuvered  
himself into commanding position.

US Government cannot tolerate situation in which power  
lies in Nhu's hands. Diem must be given chance to rid himself  
of Nhu and his coterie and replace them with best military  
and political personalities available.

If, in spite of all of your efforts, Diem remains obdurate

and refuses, then we must face the possibility that Diem himself cannot be preserved.

We now believe immediate action must be taken to prevent Nhu from consolidating his position further. Therefore, unless you in consultation with Harkins perceive overriding objections you are authorized to proceed along following lines:

(1) First, we must press on appropriate levels of GVN following line:

(a) USG cannot accept actions against Buddhists taken by Nhu and his collaborators under cover martial law.

(b) Prompt dramatic actions redress situation must be taken, including repeal of decree 10, release of arrested monks, nuns, etc.

(2) We must at same time also tell key military leaders that US would find it impossible to continue support GVN militarily and economically unless above steps are taken immediately which we recognize requires removal of the Nhus from the scene. We wish give Diem reasonable opportunity to remove Nhus, but if he remains obdurate, then we are prepared to accept the obvious implication that we can no longer support Diem. You may also tell appropriate military commanders we will give them direct support in any interim period of breakdown central government mechanism.

We are prepared to take same line here and

Concurrently with above, Ambassador and country team should urgently examine all possible alternative leadership and make detailed plans as to how we might bring about Diem's replacement if this should become necessary.
